

Workplace Mediation Skills

Gain confidence and competence in putting your mediation skills into practice

Managers, HR workers, and team leaders may have some awareness of what mediation is and how it works. However, very few get a chance to develop and enhance their mediation skills.

Workplace Mediation Skills provides a perfect opportunity to take a step back and to look at how you approach workplace disputes. The course shows you in a very practical way how to apply a step-by-step model of resolution to all kinds of grievance issues, miscommunications, and interpersonal clashes.

The course covers:

- The step-by-step model used by workplace mediators
- Using impartiality to promote dialogue and collaboration
- Skills practice with a range of simulated workplace disputes
